I would like to take this opportunity to thank Dr. Hugo Dominguez-Malagon for having hosted the Third International AMR Symposium in Anatomic Pathology held in Mexico City last month. The event was very successful and well attended. The social activities and group field trips were, as usual, spectacular. Dr. Malagon has promised to send a full set of glass slides plus a CD of the course syllabus to all the members who were unable to participate. Pictures of the event will be posted soon in the AMR website. Dr. Damjanov was voted "Had most fun" and "best dancer" for the event (you'll see why in the pictures). Thank you Hugo, for a job well done!

I hope you will all enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely yours,

Saul Suster, M.D.
