

the arkadi m. rywin international pathology  
slide seminar

October 2016

Dear Friends and Members:

Enclosed please find the new set of glass slides for AMR Seminar #69. Just a reminder that the comments to the previous case (AMR #68) as well as case histories and pertinent images for this submission will be on the official AMR web page at <http://www.amr-seminar.org>.

We request all members submit their comments for AMR #69 by the end of **November, 2016**. The deadline for submission of cases for the next seminar (AMR #70) is the same. As a reminder, we do request fifty-five (55) H&E slides sent with your submission. We do appreciate the extra effort that has been made in packaging your slides as the number of damaged/broken slides has decreased. I would also like to add as a reminder that we will not accept slides carrying *plastic coverslips*. The plastic coverslips dry out after a few years and detach carrying the tissues with it. Please make sure that all slides submitted for the club are coverslipped with **glass**. Kindly visit the AMR web page for additional submission instructions.

**The following members are due to submit cases for the next seminar:**

Volkan Adsay	Kumarasen Cooper	Thomas Krausz	Manual Sobrinho Simoes
Phil Allen	Goran Elmberger	Anais Malpica	James Strauchen
Carlos Bacchi	Giovanni Falconieri	Alberto Marchevsky	Paul Wakely, Jr.
David Ben-Dor	Franco Fedeli	Thomas Mentzel	Bruce Wenig
Ofer Ben-Itzhak	Jeronimo Forteza Vila	Delia Perez-Montiel	
Ira Bleiweiss	Maria Pia Foschini	Santiago Ramon y Cajal	
Alberta Cavazza	Masaharu Fukunaga	Brian Rubin	

I would like to take this opportunity to welcome to the Club: Cesar Moran, M.D. from MD Anderson Cancer Center in Houston, Texas. We look forward to his contributions and insights. Elizabeth Montgomery, M.D., Michele Bisceglia, M.D., Elvio Siva, M.D. and Allen Gown, M.D. have decided to retire from the club. We sincerely thank them for their contributions and wish them all the best.

There are a few members that will be receiving recuts from Dr. Agaimy's cases from AMR #67 – Case 1 and Quiz Case 1. We do apologize for the confusion that was caused during the original shipment of the slides.

Please continue to mail your cases and comments to the attention of my assistant, Debbie Roeder. Her e-mail address is: [droeder@mcw.edu](mailto:droeder@mcw.edu).

I hope you will enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely yours,

*Saul Suster*
