

The 10th Arkadi M. Rywlin International Pathology Slide Seminar Symposium in Anatomic Pathology May 21-23, 2018. Split, Croatia

Course Directors

Saul Suster, M.D., Sven Seiwerth M.D., Valdi Pešutić M.D.

We would like to cordially invite you to the 10th International AMR Slide Seminar Symposium!

The 10th Arkadi M. Rywlin International Pathology Slide Seminar in Anatomic Pathology will be held in Split, Croatia, May 21st - 23rd 2018.

The meeting venue is Radison Blue hotel, a modern congress hotel located at the sea side, close to the historic city center of one of the most beautiful Mediterranean cities.

Join us for this exciting meeting held in a unique location.

Sveučilište u Zagrebu
Medicinski fakultet

The Arkadi M. Rywlin (AMR) International Pathology Slide Seminar Club is a non-profit organization created in 1991 to promote and advance the exchange of ideas among academic pathologists throughout the world in a spirit of cooperation and collegiality.

The format of the symposium will be that of an extended slide seminar. Selected cases will be presented and discussed by the faculty consisting of 25 internationally recognized experts. A set of glass slides from the cases will be distributed (to the first 120 registered participants), and a syllabus will be distributed to all participants with a discussion of the cases. The symposium will focus mainly on diagnostic problems and controversies in surgical pathology utilizing a case study format and will be of interest to general surgical pathologists and trainees in pathology.

We are looking forward to seeing you in Split!

THE SYMPOSIUM IS ARRANGED BY

The Arkadi M. Rywlin International Pathology Slide Seminar
Sergei Saltykow Foundation

UNDER THE AUSPICES OF

University of Zagreb School of Medicine
University of Split School of Medicine
Croatian Society of Pathology (HDPSM)
The Medical College of Wisconsin

ARKADI M. RYWLIN, M.D.

The Arkadi M. Rywlin Pathology Slide Seminar was founded by Dr. Saul Suster in 1991 to honor the memory of his mentor and teacher, the late Professor Arkadi M. Rywlin (1923–1987). Professor Rywlin was born in the free city of Danzig and completed his medical training at the University of Geneva, Switzerland. He immigrated to the United States in 1953 and served as the Director of Pathology & Laboratory Medicine at the Mount Sinai Medical Center of Greater Miami and as Professor of Pathology at the University of Miami School of Medicine until his untimely death in 1987.

Professor Rywlin attained international recognition for his expertise and numerous publications in the pathology of the bone marrow. He was the author of more than 100 original articles spanning a variety of subjects in pathology and achieved international recognition with the publication of his textbook on Histopathology of the Bone Marrow (Little, Brown & Co., Philadelphia, 1974).

Professor Rywlin was an outstanding educator and trained hundreds of residents and fellows. He combined a classical education in pathology with a strictly logical and critical approach to solving problems in pathology. The club was founded to honor the memory of this master of Pathology and to celebrate and promote the spirit of critical thinking that was the legacy of Professor Rywlin to his students.
