There is a new feature that has been added to the official AMR website called the Archive. Dr. Michele Bisceglia has taken all the AMR submissions from the beginning and organized them in three different ways. I would like to take this opportunity to thank Dr. Bisceglia for all the time and effort he put into this as it represents many hours of work and it will certainly be very useful to many of us. Thank you.

I would also like to introduce a new member who submitted a case this time. Dr. Goran Elmberger joins us from Sweden and I would like to welcome him.

I hope you will all enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely,

Saul Suster, M.D.
