

February 2015

Dear Friends and Members:

Enclosed please find the new set of glass slides for AMR Seminar #67. Just a reminder that the comments to the previous cases as well as case histories and pertinent images for this submission will be on the official AMR web page at <http://www.amr-seminar.org>.

We request all members to submit their comments to AMR #68 by the end of May 2015. The deadline for submission of cases for the next seminar is the same. As our Club membership continues to grow, we now request fifty-five (55) H&E slides sent with your submission. We continue to experience problems with members submitting damaged and/or broken slides. It would also be helpful to ensure your slides are completely dry prior to packaging as we have received several submissions where the glue wasn't dry and slides were adhered together and unusable. Also, several submissions have arrived with broken slides due to improper packaging which precludes us from providing all members with complete sets of slides. I would also like to add as a reminder that we will not accept slides carrying *plastic coverslips*. The plastic coverslips dry out after a few years and detach carrying the tissues with it. Please make sure that all slides submitted for the club are coverslipped with glass. Kindly visit the AMR web page for additional submission instructions. The following members are due to submit cases for the next seminar:

Carlos Bacchi	Jeronomo Forteza Vila	Maria Pia Foschini	Robert Najarian
David Ben-Dor	Masaharu Fukunaga	Alberta Cavazza	N. Volkan Adsay
Kumarasen Cooper	Allen Gown	Brian Rubin	Goran Elmberger
Manual Sobrinho Simoes	Thomas Krausz	Paul Wakely, Jr.	Bruce Wenig
Phil Allen	Santiago Ramon y Cajal	James A. Strauchen	
Hugo Dominguez-Malagon	Dominic Spagnolo	Franco Fedeli	

I would like to take this opportunity to welcome new members to the Club: Richard Scolyer, M.D. from the Royal Prince Alfred Hospital in Sydney, Australia and Vania Nose, M.D., Ph.D from Massachusetts General Hospital, Boston, MA. We look forward to their contributions and insights. I would also like to take this opportunity to announce that Dr. Otto Dietz and Dominic Spagnolo have voluntarily retired from the Club. We will miss their contributions and insights but they will remain AMR Club members ad-honorem.

Please continue to mail your cases and comments to the attention of my assistant, Nancy Boinski. Her e-mail address is: nboinski@mcw.edu.

I hope you will enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely yours,

Saul Suster
