

# the arkadi m. rywlin international pathology slide seminar

Arkadi M. Rywlin

## AMR

International  
Pathology Slide  
Seminar

November 2017

Dear Friends and Members:

Enclosed please find the new set of glass slides for AMR Seminar #71. Just a reminder that the comments to the previous cases (AMR #70) as well as the case histories and pertinent images for this submission will be on the official AMR web page at <http://www.amr-seminar.org>.

We request all members submit their comments for AMR #71 by the end of **February 2018**. The deadline for submission of cases for the next seminar (AMR #72) is the same. As a reminder, we do request fifty-five (55) H&E slides sent with your submission. We do appreciate the extra effort that has been made in packaging your slides as the number of damaged/broken slides has decreased. I would also like to add as a reminder that we will not accept slides carrying **plastic coverslips**. The plastic coverslips dry out after a few years and detach carrying the tissues with it. Please make sure that all slides submitted for the club are coverslipped with **glass**. Kindly visit the AMR web page for additional submission instructions.

### The following members are due to submit cases for the next seminar:

Volkan Adsay	Goran Elmberger	Alberto Marchevsky	Brian Rubin
Phil Allen	Franco Fedeli	Thomas Mentzel	Manual Sobrinho Simoes
Ira Bleiweiss	Maria Pia Foschini	Vania Nose	Paul Wakely, Jr.
Alberta Cavazza	Masaharu Fukunaga	Delia Perez-Montiel	Bruce Wenig
Kumarasen Cooper	Thomas Krausz	Santiago Ramon y Cajal	

It is with great sadness that I have to announce that three of our longstanding members, Carlos Bacchi, Hugo Dominguez-Malagón and David Ben-Dor have decided to retire from the club. We sincerely thank them for their contributions and wish them all the best in their retirement. We hope they will continue to participate in the Club by joining us for our international symposiums sponsored by the Club. I would also like to welcome Barbara Gazic to the club. Dr. Gazic is the Head of Pathology at the Institute of Oncology in Ljubljana, Slovenia, and replaces Dr. Janez Lamovec. Please welcome her to the Club.

I'm also sad to share the news that my secretary, Debbie Roeder, is relocating with her family to North Carolina and will no longer manage the Club. She has done an outstanding job the past 2 years and we are all grateful to her for her efforts. From now on, please continue to mail your cases and comments to the attention of my new assistant, Christine Saurer. Her e-mail address is: [csaurer@mcw.edu](mailto:csaurer@mcw.edu). I hope you will enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely yours,

*Saul Suster, M.D.*
