

# the arkadi m. rywlin international pathology slide seminar

Arkadi M. Rywlin  
**AMR**  
International  
Pathology Slide  
Seminar

April 2018

Dear Friends and Members:

Enclosed please find the new set of glass slides for AMR Seminar #72. Just a reminder that the comments to the previous cases (AMR #71) as well as the case histories and pertinent images for this submission will be on the official AMR web page at <http://www.amr-seminar.org>.

We request all members submit their comments for AMR #72 by the end of **July 2018**. The deadline for submission of cases for the next seminar (AMR #73) is the same. As a reminder, we do request fifty-five (55) H&E slides sent with your submission. We do appreciate the extra effort that has been made in packaging your slides as the number of damaged/broken slides has decreased. I would also like to add as a reminder that we will not accept slides carrying **plastic coverslips**. The plastic coverslips dry out after a few years and detach carrying the tissues with it. Please make sure that all slides submitted for the club are coverslipped with **glass**. Kindly visit the AMR web page for additional submission instructions.

## The following members are due to submit cases for the next seminar:

Abbas Agaimy	Barbara Gazic	Michal Michal	Murray Resnick
Ofer Ben-Itzhak	Ondra Hes	Markku Miettinen	Kenneth Schoolmeester
Gerald Berry	Jason Hornick	Cesar Moran	Manual Sobrinho Simoes
Cyril Fisher	Anais Malpica	Vania Nose	Ady Yosepovich
Andrew Folpe	Alberto Marchevsky	Kyle Perry	
Jeroniomo Forteza Vila	Jesse McKenney	Fredrik Petersson	

I regret to share with you that Dr. Bruce Wenig has indicated his intention to retire from the Club. We will miss his comments and excellent cases. I am pleased, however, to announce the addition of 3 new members to the club: Kenneth Schoolmeester, M.D. from the Department of Pathology at Mayo Clinics, Justin Bishop, M.D. from Department of Pathology at UT Southwestern Medical Center in Texas, and Jesse McKenney, M.D. from the Cleveland Clinic. We would like to welcome these 3 new members who I'm sure will be a great addition to the group.

Please continue to mail your cases and comments to the attention of my new assistant, Christine Saurer. Her e-mail address is: [csaurer@mcw.edu](mailto:csaurer@mcw.edu). I hope you will enjoy the enclosed cases and I look forward to hearing from you soon.

Sincerely yours,

*Saul Suster, M.D.*
